

**INTERCONNECTING DEVICES, COMMON EQUIPMENT
604B AND 604C PANELS
AND 21A APPARATUS UNIT**

1. GENERAL

- 1.001** This addendum supplements Section 463-300-102, Issue 2.
- 1.002** This addendum is issued for the following reasons:
- (a) To reword Caution
 - (b) To correct Table A.

2. CHANGES TO SECTION

ISSUE 1 CHANGES

- 2.001** On page 4, change the Caution to read:
Do not use a 101A or 102A IU as trunk 9 (position 13) or trunk 14 (position 14) if a 101B or 102B is used as trunks 1 or 3 (positions 1 or 4) or trunks 5 or 7 (positions 7 and 10). Doing so may cause trouble in positions 1, 4, 7, or 10 due to the internal wiring of the panel.
- 2.002** On page 12, in Table A, under column J13 in row 102A and column J14 in row 101A, change bullets (●) to a double dagger (‡).
