

DESIGNATION STRIPS AND CARDS

1. GENERAL

1.01 Designation cards and strips are used to indicate on which key or pushbutton a particular PBX extension number, a central office line number, or other service appears on multi-button telephone sets or key equipments.

1.02 This section is reissued to:

- Add information on E-5836 and E-5837 designation tab and KS-20166 designation strips

- List additional apparatus and equipment in Tables
- List additional MD information in tables

Changes or additions in the body of tables is indicated by shaded areas.

2. IDENTIFICATION

2.01 Tables A, B, C, and D list designation strips and the telephone sets or other apparatus on which they are used. Table E lists the designation strips used with keys which are not equipped with designation card holders.
