

**HANDSETS (AMPLIFIER)  
G6, G7, G8, AND G13 TYPES  
IDENTIFICATION, CONNECTIONS, AND MAINTENANCE**

**1. GENERAL**

**1.001** This addendum supplements Section 501-211-102, Issue 3.

**1.002** This addendum is issued to show availability of D-180413 handset.

**2. IDENTIFICATION**

The following changes apply to Part 2 of this section:

(a) 2.03.1 Added

**2.03.1** The D-180413 handset is a modified G8B (noisy location) handset intended for use by customers that require more receiver gain than is available in the G6B (impaired hearing) handset.
